Treasurer's Report

Here is my report:

Bank Account	£1,445.32
Cash	£ 8.04
Total	£1,453.37

I have transferred £2,430.00 to the men's account to be paid to our charity. They are presenting one cheque from all of us.

There will be some expenses to come from this total i.e. engraving but on the whole, pretty good, I think.

New Players

Ms Ellen O'Shea has entered 9-hole cards and has been advised they need to cover both the front and back 9s.

A general note was sent to all members advising that supplementaries and new handicap cards do not need to hole out and can pick up when 4 over par on the hole.

Carol Smith was allocated a handicap of 38 and Laraine Nash was allocated 46.

Other Matters

New process for supplementaries was also published.

Supplementary cards should be logged on the machine in the spike bar before playing:

Enter and select your name just like you would to enter a score for a competition

- 1) Select "Sign In"
- 2) Select "Supplementary Score"
- 3) Select "Sign in"
- 4) Play your round under normal competition conditions and sign your card
- 5) Enter your score into the system, selecting the supplementary you have signed for
- 6) Post the card in the box in the ladies locker room.

World Handicap System is scheduled to be introduced in November 2020 and the County will be running workshops in Q1 2020 to educate clubs.

Social Secretary's Report

9, Wine & Dines

Since the last Committee Meeting there have been two 9, Wine & Dine events. These evenings proved popular and it was great to welcome new people to the event. A Stableford team competition was played at both August and September events on the following dates:

Friday 16 August

A 9-hole team competition followed by food (summer buffet) drink and prizes. The cost was £15pp. Three-day and non-members welcome to play with a green fee of £10. We were also joined by non-golfers for food. The weather on the day was atrocious; heavy rain and wind! Despite this, many teams played and an amazing score of 48 Stableford points won - well done to Sue and Doug Jeffs, Paul Martin and his daughter, Hayley Hayes (new this year to these events)

Friday 6 September

A 9-hole team competition, followed by food (ham, egg and chips) drink and prizes. The cost was £13pp. The last event of the year saw far kinder weather conditions with many good scores. The winning team was Sue and Paul Shrubbsall, Richard and me, with a score of 50 points, winning on count back!

Forthcoming Events

9 & Roasts

After receiving feedback from people attending the 9, Wine & Dine events, there will be a fun, 9-hole, team Stableford, followed by a carvery, on the following dates:

Sunday 20 October

Sunday 17 November

Sunday 29 March

Sunday 19 April.

Quiz Night - Saturday 23 November

Always a popular evening, with quizmaster, Jeff Kyle setting the questions. Details of the event including time, food and price will follow shortly.

Ladies' Section Christmas Dinner - Friday 13 December

This date in December was the only suitable one to hold our Christmas Dinner. Unfortunately, the club already had a large sell-out booking for this evening. We, therefore, are holding our dinner at The Angel, Addington, at a cost of £23.95 for three courses or £19.95 for two courses. Confirmed numbers were required by 30 September and we have a provisional booking. There are a further three spaces available, if needed.

New Year's Eve - Tuesday 31 December

The booking and tickets for this evening will be available later this month once the food and pricing has been agreed with Mark and Mike.

Captain's Report

There was no report from the Captain.

Upcoming Competitions and Events

AGM

The Agenda has been agreed although there will be an inclusion of a speech by the representative from the new charity. She will speak after the new Lady Captain speaks. Tea and coffee will be served on arrival.

The Captains' Drive In

To be a drawn competition and it will be a Florida Scramble.

Autumn Meeting

Everything is in hand for this event.

Ladies Business League

Heather is gathering names for this.

Future Committee Arrangements

Annie Foster will join the committee.

Captain's Charity

Next year's charity is Crossroads; a charity for carers.

Any Other Business

Juniors

There was a discussion regarding junior girls playing with ladies. CP said junior competitions are organised by the Pro Shop and they hope to have a coordinator for juniors to help with progression. It was suggested perhaps a few time slots could be available for junior beginners to play after Junior Competitions.

It was decided that girls should not enter ladies' competitions unless they have a handicap of 18 or lower, in line with the men. Also, it was decided they should not be included in the weekend Swindle. Any lady can, of course, volunteer to play with junior girls.

Flowers

Flowers are not usually sent for illness, although the ladies occasionally make private collections. Flowers are sent for bereavements and cards for illnesses.

Email List

There was a query from Kay Elks concerning the security of the email list. It was decided that it is not always feasible to send out emails as blind copies.

Action: JB to ask Kay if she would like her name removed from the list.

The Ping competition

The prizes are in the Pro Shop. There was no satisfactory reply from England Golf concerning the qualifying score for the final and it is now too late.

The Order of Merit

Mixed competitions are not to be included in this.

Tuesday Competitions

It was agreed that if there are less than 10 entrants there is to be one prize only across both divisions.

Nine & Nibbles

The food for this event will be paid for by the Ladies' Section funds.

The Davis Trophy

We will trial payment by logging in for this competition and GH will repay the money to the Ladies' Section account.

Kent Ladies Golf Union Delegate

Carol Edwards would like to give this job up so a volunteer to take it on will be needed.

Action: CE to send an email explaining what the roll is.

Date of next meetings

Monday 21 October, AGM

Dates of 2020 meetings tbc.

Action: dates to be proposed by JM.
