Committee Reports

Management Report

Chris came along to represent management and reported that the Club V1 changeover from BRS will commence on the 18th April. We will be able to set up our own competitions on line once this system is in place, this will save the entry in and subsequent removal of names that we currently have to do with BRS. We discussed the difficulties of the members bar at some length, in particular the amount of time spent trying to get teas and coffees when coming off the 9th halfway through a competition, particularly when junior members and parents are around. It was suggested that playing members have a designated section where they can possibly help themselves to teas and coffees, with the bar staff just having to keep a check as opposed to having to serve each individual. Chris agreed this seemed like a good idea. We will monitor the situation over the next few weeks and see if things settle down in the members area.

Social Secretary's Report

Since the last committee meeting there have been 2 social events, both well attended with great feedback. The following events have taken place:-

Saturday 16th February – Fawlty Towers Dining Experience

A sell out event & a really great evening was enjoyed by everyone. The 3 professional actors playing Basil, Sybil & Manuel were very talented & hilarious.

Comedy reigns during a 3 course dinner as they worked to serve the guests while everything seemed to go wrong. Only half the show was scripted with the rest improvised, with loads of audience participation, great fun!

Thursday 14th March – Captains' Wine Tasting Evening

Again this evening was sold out, we enjoyed 8 wines supplied by Shepherd Neame. Their rep Dougie hosted the evening providing a quiz with each wine. Chef Mike served delicious tapas style food to accompany the wines. The cost of £10pp was great value.

Forthcoming Events

Saturday 6th April – Quiz Night

This evening with quiz master Jeff Kyle has proved extremely popular, a sell out with 12 teams & 90 players! Unfortunately I had to turn down 2 teams due to lack of space so teams will need to sign up quickly for the next quiz night. Chef Mike is providing a chilli buffet at £10pp & the prize fund is £2pp. The prize fund has allowed for 5 team prizes & a thank you present for Jeff.

Friday 12th April – Masters 9 Hole Competition

A club run event which is always a fun evening, 9 holes shotgun start held on the Friday 12th April. The golf is followed by food & prizes & is always very popular. The cost is £10pp payable when signing in for the golf.

Bank Holiday Monday 6th May – Captains' Mixed Pairs Competition

This event went live on BRS on Tuesday & has already proved popular so I have released another couple of tee times. It is a 18 hole golf competition followed by ham, egg & chips with prizes. The cost is £9pp for the food & prizes with guests allowed to play for £20. Non golfers are also welcome for the food at £7pp.

Friday 24th May – 9, Wine & Dine

The first of the popular 9 holes on a Friday evening followed by wine, food & prizes. The event will be once a month from May to September & is open to all the sections of the golf club. The confirmed dates of the 9, dine & wine are as follows:-

Friday 24th May

Friday 21st June

Friday 12th July

Friday 16th August

Friday 6th September

Captain's Report

Alice reported that the Kent ladies will be playing their championship at KH this year on the 28/29/30th May. She is looking for volunteers to be around to offer hospitality to the players and also ball spotters. Louise mentioned that this has been done in the past by the Seniors. Any members willing to help please contact Alice

There will be a sweepstake for the Masters 2019 competition with tickets going on sale on the 6th April at £5 per ticket, first prize will be £100 with further prizes of £60, £40, £20 and £10

Any other business

- Sarah was asked to raise the possibility of cancelling the Crystal Challenge if there was bad weather, and for it to be played in that case on a later date - after discussion it was agreed that this competition is linked to the Masters and therefore must be played at the same time. In the case of extreme weather the course will be closed by the club and the whole competition would be closed. She was also asked to raise the effect of coursework in April when there are so many competitions – the committee all agreed that course work at this time of year is essential to keep the course in good condition for the rest of the season, we all have to play the competitions and experience the same inconvenience.
- Yvonne raised a ladies Christmas party and on checking the diary we found that the only date available was Friday 6th December and we have now booked this date
- Jane asked that in her absence we confirmed that we were happy to proceed with the Maximum Score Medal for future competitions and we agreed that this should be implemented. She also asked us to raise the new booking system which Chris raised and we discussed
- Denise suggested that we open up a forum for feedback and questions on the new rules. Alice agreed that it would be a good idea to have a rule of the month which we would display on the board. With regard to Denise's further suggestions we agree that we would ask members to put any suggestions relating to rules in the box in the changing room

Date of next meetings:

Saturday 15th June, 11th August and 5th October

NB; SARA, YVONNE, LOUISE AND DEBBIE CANNOT MAKE 15TH JUNE SO WE WILL PROBABLY RE-ARRANGE THIS MEETING
